GENERATIONS**

Great Games That Anyone Can Play!

Touch. Make contact. Feel a connection. Nintendo's Touch Generations, exclusive to the Nintendo DS, allows you simple, engaging interaction with games that promote production over destruction, contemplation over domination. You don't have to sift through complex instructions or climb a steep learning curve. Just turn on the power, touch, react, and enjoy.

Play a little. Play a lot. It's up to you.

Not a gamer? That's OK.

The Nintendo DS connects with everyone, even those who don't have the time to develop a Level-99 mage, or the interest in infiltrating enemy headquarters. The innovative handheld offers simple, elegant interaction that inspires a wide range of possibilities. Touch Generations titles for Nintendo DS are a welcoming breath of fresh air in the hard-core gaming world. From *Brain Age: Train Your Brain in Minutes a Day*, which has already satisfied more than five million people worldwide, to *Tetris DS*, which oozes with old-school flair, you're sure to find something accessible and compelling in the Touch Generations collection.
